All exhibitors who do not have a permanent height card or temporary (yellow) measurement form must be measured **BEFORE** running (unless you're jumping 24"). Measurements will be taken all day between classes. It is the exhibitor's responsibility to have their dog measured prior to running.

Check-In (Armbands Not Required)

Pursuant to Chapter 1, Section 19 of the Regulations for Agility Trials (Revised July 2016), the club will not be requiring the use of armband stickers, so traditional check-in is not required.

No paper check-in will be required. We will be using the **Agility Gate App** for check-in from your phone ... see left sidebar for more information.

A running order will be posted on imagilityservices.com 3-4 days prior to the first day of the trial.

**We will be utilizing the
AGILITY GATE APP for
convenient check-in
and gate management.**

Agility Gate is a free-to-download app that allows competitors to check-in their dogs via their mobile phone or tablet at an agility show and keep track of the current state of the run orders. It helps prevent crowding around the gate and allows competitors to keep tabs on things while crating away from the ring or away from the show site.

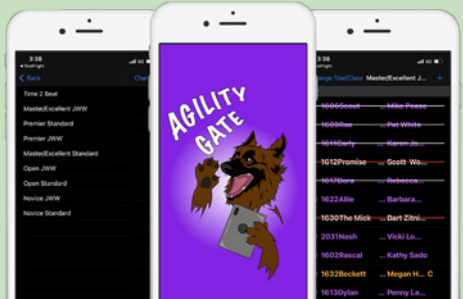

**The access code
is 1010.**

Course maps will be posted at the trial site. You can take a picture of the posted maps or download a copy to your phone using the Agility Gate app. Paper copies of the maps will not be available.

To learn more about the app please visit the following website:
