We will be utilizing the **AGILITY GATE APP** for convenient check-in and gate management.

Agility Gate is a free-to-download app that allows competitors to check-in their dogs via their mobile phone or tablet at an agility show and keep track of the current state of the run orders. It helps prevent crowding around the gate and allows competitors to keep tabs on things while crating away from the ring or away from the show site.

The access code is **2025**.

Course maps will be posted at the trial site. You can take a picture of the posted maps or download a copy to your phone using the Agility Gate app. Paper copies of the maps will not be available.

To learn more about the app please visit the following website:

**PLEASE CHECK IN
EACH MORNING FOR
ALL YOUR CLASSES**

Arrival/Setup

The show site will be available to exhibitors on **Monday at 7:30 AM**. The building will be vacated nightly.

Exhibitors who help setup equipment on Sunday may drop off crates and personal items. Please contact the trial chair for information.

DOGS MAY NOT BE LEFT AT THE SHOW SITE OVERNIGHT.

Measuring

All agility dogs are required to have an Official Jump Height Card and must be able to present it if asked. Don't forget to bring your height card in case someone asks for it.

Two VMOs, Carrie DeYoung and Sue Fregien, will be available to measure on both days of the trial. ALL dogs (regardless of height) without a permanent Jump Height Card or Yellow "Temporary Measurement" Form (for dogs under 2 years old) must be measured before their first run of the weekend. Forms will be available. Please fill out a form before asking to be measured. If you already have a permanent height card, be sure to have it with you at the trial in case you are asked for it. If your dog needs to be measured, it is your responsibility to have it done before you run. Failure to do so will result in the removal of any qualifying runs you receive.

Check-In (Armbands Not Required)

Pursuant to Chapter 1, Section 19 of the Regulations for Agility Trials (Revised July 2016), the club will not be requiring the use of armband stickers, so traditional check-in is not required.

No paper check-in will be required. We will be using the **Agility Gate App** for check-in from your phone ... see left sidebar for more information.

Running orders

A running order will be posted on imagilityservices.com 3-4 days prior to the first day of the trial.

Concessions ...

On-site concessions will be available both days. Outside food is allowed, but outside alcohol is prohibited.

Course Maps

Course maps will be posted at the trial site per AKC Agility Regulations. Please take a picture of the posted maps for access on your phone or tablet. Maps will also be posted on the Agility Gate App.

ATTENTION, VOLUNTEERS!!!

Agility trials cannot survive without volunteers. ABTC appreciates everyone who can give of their time to help the trial run smoothly.

Volunteer duties will not interfere with running your dog.
