**We will be utilizing the
AGILITY GATE APP for
convenient check-in
and gate management.**

Agility Gate is a free-to-download app that allows competitors to check-in their dogs via their mobile phone or tablet at an agility show and keep track of the current state of the run orders. It helps prevent crowding around the gate and allows competitors to keep tabs on things while crating away from the ring or away from the show site.

**The access code
is 1010.**

Course maps will be posted at the trial site. You can take a picture of the posted maps or download a copy to your phone using the Agility Gate app. Paper copies of the maps will not be available.

To learn more about the app please visit the following website:

All agility dogs are required to have an Official Jump Height Card and must be able to present it if asked. Don't forget to bring your height card in case someone asks for it.

A Volunteer Measuring Official (VMO) will NOT be at this trial, so there will no official measurements. If you do NOT have a permanent height card you will still need get an unofficial measurement to ensure you are in the correct jump height for this weekend.

All exhibitors who do not have a permanent height card or temporary (yellow) measurement form must be measured **BEFORE** running (unless you're jumping 24"). Measurements will be taken all day between classes. It is the exhibitor's responsibility to have their dog measured prior to running.

Check-In (Armbands Not Required)

Pursuant to Chapter 1, Section 19 of the Regulations for Agility Trials (Revised July 2016), the club will not be requiring the use of armband stickers, so traditional check-in is not required. We will be using the **Agility Gate App** for check-in from your phone ... see left sidebar for more information.

Concessions

There will be no concessions at the trial. Please feel free to bring your own lunch, snacks and drinks. Fast food is convenient to the show site as well.

Running orders and Course Maps

Course maps will be posted at the trial site per AKC Agility Regulations. Please take a picture of the posted maps for access on your phone or tablet. Maps will also be posted on the Agility Gate App.

Agility trials cannot exist without help from the exhibitors. Volunteering will not conflict with your runs because you sign up when you can work!
