Measuring Dogs

Please ensure you understand the criteria regarding dogs being measured. Refer to the current edition rule book which can be found on the UKI web page. [UKI 11th Edition Rule Book.pdf](#) A summary of the rules can also be found here [Jump Heights | UK Agility International](#)

If a dog is under 3 and newly registered, a temporary measure or proof of the dog's height must be done by the dog's 3rd trial. A permanent measure must be obtained by a UKI official measurer between 12-18 months after the dog's first/ temporary measure. Any registered dog that only has a temporary measure, must follow the above rule. If a newly registered dog is over 3, they must obtain a measure by an official UKI measurer by their 3rd trial and this measurement will be permanent.

Level Move-ups

Exhibitors are responsible for tracking their dog's points in each of the two UKI programs and must move their dog to the next eligible level on the following day of a multiple-day trial once sufficient points have been earned. Competitors must notify the trial secretary on the day their dog gains enough points to move up in a particular program. Exhibitors may log into their UKI account to confirm and tally points.
