Exhibitor Information

- Pinch/prong and electrical collars (dummy or not), head halters and special training collars are not allowed on trial grounds.
- Handlers are permitted to walk the course, without a dog, prior to the start of the class. Each walk-through is restricted to handlers entered in that class/jump height.
- Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases and have appropriate vaccinations.

- All dogs present must be on leash or confined in crates when not being judged or at the warm up jump.
- Exhibitors may wear shirts or insignia of their training group. Clothing may display the person's name, the dog's call name and/or the dog's picture. Titles may not be displayed. Writing or graphics on the clothing must not be in poor taste or contain profanity. See AKC Regulations for Agility Trials, Chapter 4, Section 16 for additional information.
- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all the obstacles safely.
- The Club and the Trial Secretary have no obligation or responsibility to provide a public address system or stewards to call or locate dogs that are not present at the ring when required. Exhibitors are responsible for being at the gate when it is their turn to run.

Jump Height Card Process

PLEASE DO NOT SEND A COPY OF YOUR JUMP HEIGHT CARD WITH YOUR ENTRY!

ENTRY FORM: The AKC entry form has a section at the top of the form for exhibitors to check if your dog needs to be measured. If your dog does not have a valid jump height card or a temporary jump height yellow receipt (for dogs under 2 years of age), please check the box so that the Trial Secretary knows to include your dog on the **Dogs To Be Measured List**.

All agility dogs are required to have an Official Jump Height Card/Valid yellow form and exhibitors must be able to present it at any time during the trial **upon request**. All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; ALL dogs without a valid Jump Height Card/Form **must** be measured at some time during the trial or cluster of trials. **If a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.**

Exhibitors may choose to enter their dogs in a higher height division than required by AKC, but not in a height division lower than the AKC mandated height. Dogs in the Preferred Classes **MUST** jump in their preferred measured height division. They may not enter in a higher jump class.

Fix and Go On (FNG)

- As of January 1, 2021 Fix and Go On is a permanent part of the AKC Agility program.
- Fix and Go On is not pre-entered; rather, it occurs during the course of the run.
- FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Entering For Exhibition Only (FEO)

- **As of January 1, 2021 For Exhibition only (FEO) is a permanent part of the AKC Agility program.**
- At the option of the club, a handler may choose to change any class entry into a For Exhibition Only (FEO) run. The handler must notify the scribe and the judge as they enter the ring prior to the start of the run that they are doing an FEO run.
- Effective July 1, 2024, the fault call scored for an FEO run shall be changed from Excused ("E") to Absent ("ABS"). Scribes should continue to write "FEO" on the scribe sheet; however, the Score Table shall now enter that run as an Absent run. In doing so, the Defeated Dogs report used by Breed Specialty clubs will no longer have FEO runs in their Number of Dogs Entered calculations nor will FEO runs affect calculations where Number of Dogs Competing are involved, such as calculating Premier Top 25% counts. This change is for all classes.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board)
